SAN MATEO ACE PROVIDER LIST

PLEASE READ THE FOLLOWING INFORMATION. THIS EXPLAINS WHICH PROVIDERS YOU CAN USE UNDER THE SAN MATEO ACE PROGRAM.

The San Mateo ACE program works to meet your health care needs through a network of qualified health care providers that are located in San Mateo County. As a San Mateo ACE Participant, you can only use the San Mateo ACE Providers listed below. This includes any doctors or other health professionals who are employed or contracted by these Providers. If you need to use a non-ACE Provider, you will need to get authorization from HPSM first.

PRIMARY CARE PROVIDER CLINIC SITES ARE LINKED TO PHARMACIES

Below is a list of San Mateo ACE Providers that can serve as Primary Care Provider clinic sites. Next to each PCP clinic site is the pharmacy that is linked to that site. Remember that when you choose your PCP clinic site, you are also choosing your pharmacy. You cannot go to a pharmacy that is not linked to your PCP clinic site.
