

Adult Body Mass Index (BMI) Form for Medi-Cal Members (ages 21+)

Please complete this form to receive your \$25 incentive. Fax a copy to HPSM at **650-829-2009**. Bill HPSM with CPT code 99411 and modifier WT

Patient Name: _____

HPSM Member ID #: _____

DOB: _____ Sex: M F

Date of Measurement: _____

Instructions: 1. Find the patient's height in the left column
 2. Go across the table to find a number closest to the patient's weight
 3. Go straight up to the colored BMI section and circle the BMI.

Example: If the patient is 5'5" and weighs 185 pounds, then their BMI = 31.
 You would circle 31 for the BMI.

Circle the appropriate BMI: Please indicate weight (in lbs.) or circle nearest weight value below:
