Re: Medi-Cal Capitation Reports Available Only on eReports

Beginning July 1, 2010, Health Plan of San Mateo (HPSM) Medi-Cal capitation reports for primary care providers will only be available through HPSM's secured web portal, eReports.

Primary care providers can also access their Explanation of Benefits and Case Management lists through eReports.

To sign up for eReports or if you have any questions, please contact HPSM's Provider Services Department at 650-616-2106.
