After receiving this completed form, an HPSM's Grievance and Appeals Coordinator will call you to discuss your complaint and to review HPSM's grievance (complaint) process.

The Department of Managed Health Care requires Health Plan of San Mateo to inform you of the following:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against HPSM, you should first telephone HPSM at **1-800-750-4776** and use HPSM's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by HPSM, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by HPSM related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's Internet web site www.dmhc.ca.gov has complaint forms, IMR application forms, and instructions online.

You have the right to submit a grievance, pursuant to HPSM's standard grievance procedures, for the failure of HPSM staff to provide trans-inclusive care to you. You may use this form, or submit your complaint by phone, by email, in person, or online.
