Introduction
As a member of HPSM, you can get language interpreter services at no cost. Information on how to get interpretation services can be found below:

Language Help
Our Member Services staff speak English, Spanish, Chinese, and Tagalog. For other languages, we can help you through our free telephone interpreter service. If you have questions, concerns, or need help choosing or changing a provider, please call Member Services.

Interpreting Services
If you need an interpreter to go with you to your provider’s office, we have interpreters in most languages as well as in American Sign Language—and it’s free! You do not have to use a family member, friend, or child as an interpreter. Ask your provider office or medical group to schedule an interpreter when you make your appointment or call Member Services for more information.

Material in Other Languages or Formats
This information is available for free in other languages and formats like large print, Braille, or audio CD. Please call Member Services at 1-800-750-4776. TTY: 1-800-735-2929 or dial 7-1-1. Hours are Monday through Friday, 8:00 a.m. – 6:00 p.m. This call is free.

The Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973
The ADA prohibits discrimination based on disability and protects Members with disabilities from discrimination concerning public services, programs, and activities.

Section 504 of the Rehabilitation Act of 1973 states that no qualified disabled person shall be excluded, based on disability, from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity which receives or benefits from Federal financial assistance.

HPSM complies with both the ADA and Section 504. Members enrolled in HPSM are entitled to full and equal access to covered services, including members with disabilities.

List of Network Providers
The Provider Directory shows what languages the provider and office staff speaks. Consider picking a provider that speaks your language. If you can’t find a provider that speaks your preferred language, you can use an interpreter at your medical appointments for free. If you have questions about using an interpreter, please call Member Services for more information.

If you need help choosing a Primary Care Provider (PCP) or medical group, call Member Services at 1-800-750-4776 or 650-616-2133 (TTY: 1-800-735-2929 or dial 7-1-1) Information printed in the provider directory is subject to change. For the most recent information, visit hpms.org/choose-a-provider.
This Directory of Medi-Cal’s network provider lists:

- Health care professionals such as primary care providers (PCP), specialists; and
- Facilities such as hospitals, nursing facilities, skilled nursing facilities, mental health facilities, clinics, and pharmacies; and
- Support providers such as adult day services, assisted living, consumer-directed services, home-delivered meals, and home health agencies.

You may receive services from any of the providers in this Directory. For some services, you may need an authorization approval from your PCP or HPSM.

For more information on how to pick a PCP or change your PCP, please see Section 3, pages 11–13 of the Medi-Cal Evidence of Coverage.

**Referrals to Specialty Doctors**

You may need a referral to see a specialist or someone that is not your PCP. A referral means that your network PCP must give you approval before you can see the other provider.

Your PCP may decide to refer you to a doctor who is a Specialist so that you can get care for a specific medical condition. Most covered services that are not provided by your PCP, such as specialty services, non-emergency hospital services, laboratory and x-ray services, must be approved in advance by your PCP. Your PCP will refer you to an HPSM specialist doctor, hospital, or other HPSM provider from whom you may receive services. If there is not an HPSM provider available to perform the medical service you need, your PCP will ask HPSM to refer you to a non-HPSM provider for the services. HPSM may not cover the service if you don’t get a referral.

For more information on referrals and treatment authorization requests (TARs), please see Section 4, pages 18–19 of the Medi-Cal Evidence of Coverage.

**Member Notice**

Ley de Estadounidenses con Discapacidades (ADA) de 1990 y Sección 504 de la Ley de Rehabilitación de 1973
La ADA prohíbe la discriminación en base a la discapacidad y protege a los Miembros con discapacidades contra la discriminación en lo que respecta a los servicios, programas y actividades públicas.

La Sección 504 de la Ley de Rehabilitación de 1973 estipula que ninguna persona discapacitada calificada será excluida, por su discapacidad, de participar en ningún programa o actividad que reciba o se beneficie de asistencia financiera federal, ni se le negarán los beneficios ni ser sometida a discriminación de ningún otro tipo bajo dicho programa o actividad.

HPSM se apega a lo dispuesto tanto en ADA como en la Sección 504. Los miembros inscritos en HPSM tienen derecho a un acceso total y equitativo a los servicios cubiertos, incluyendo a los miembros con discapacidades.

Si necesita ayuda para elegir a un Proveedor de atención primaria (PCP) o grupo médico, por favor llame a Servicios al miembro al 1-800-750-4776 o 650-616-2133 (TTY: 1-800-855-3000 o marque 7-1-1) La información impresa en el directorio de proveedores está sujeta a cambios. Para obtener la información más reciente, visite hpsm.org/choose-a-provider.
Listado de proveedores de la red

El Directorio de Proveedores indica los idiomas que hablan el proveedor y el personal de su consultorio. Considere la posibilidad de elegir un proveedor que hable su idioma. Si no encuentra un proveedor que hable el idioma de su preferencia, puede hacer uso de un intérprete en sus citas médicas sin costo alguno. Si tiene alguna pregunta sobre el uso de un intérprete, sírvase llamar a Servicios al Miembro para solicitar información adicional.

Este Directorio de proveedores de la red de Medi-Cal incluye:

- Profesionales de la atención médica, como proveedores de atención primaria (PCP), especialistas; y
- Centros, como hospitales, centros de enfermería, centros de atención especializada de enfermería, centros de salud mental, clínicas y farmacias; y
- Proveedores de servicios de apoyo, como servicios diurnos para adultos, asistencia para la vida diaria, servicios dirigidos por el consumidor, alimentos entregados en el hogar y agencias de atención médica en el hogar.

Puede recibir servicios por parte de cualquiera de los proveedores de este Directorio. Para algunos servicios, usted podría requerir la autorización de su PCP o de HPSM.

Si desea obtener información adicional sobre cómo escoger un PCP o cambiar de PCP, sírvase consultar la Sección 3, páginas 11 a 13, de la Evidencia de Cobertura de Medi-Cal.

Referencias a médicos especialistas

Para consultar a un especialista que no sea su PCP usted podría tener que obtener una referencia. Una referencia quiere decir que su PCP debe darle la aprobación por anticipado antes de que pueda visitar a otro proveedor.

Su PCP puede decidir referirlo a un médico que sea especialista, de manera que usted pueda recibir atención para una condición médica específica. La mayoría de los servicios cubiertos que su PCP no proporcione directamente, como servicios especializados, servicios hospitalarios que no sean una emergencia, servicios de laboratorio y servicios de rayos x, deben ser autorizados con anticipación por su PCP. Su PCP lo referirá a un médico especialista u hospital de HPSM, o a otro proveedor de HPSM de quien usted podría recibir atención médica. Si no hay un proveedor de HPSM disponible para realizar el servicio médico que usted necesita, su PCP le pedirá a HPSM que lo refiera a un proveedor fuera de HPSM para que le proporcione el servicio. HPSM podría no cubrir el servicio si usted no obtiene una referencia.

Para obtener información adicional sobre referencias y solicitudes de autorización de tratamiento (TARs), sírvase consultar la Sección 4, páginas 18 a 19, de la Evidencia de Cobertura de Medi-Cal.

Si necesita ayuda para elegir a un Proveedor de atención primaria (PCP) o grupo médico, por favor llame a Servicios al miembro al 1-800-750-4776 o 650-616-2133 (TTY: 1-800-855-3000 o marque 7-1-1) La información impresa en el directorio de proveedores está sujeta a cambios. Para obtener la información más reciente, visite hpsm.org/choose-a-provider.
