D. Background Information about CareAdvantage's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** CareAdvantage and have agreed to provide prescription drugs to you as a member of the plan.

While most of the prescription drugs you get from a pharmacy are covered by CareAdvantage, other drugs may be covered by Medi-Cal. This can include some over-the-counter medications and certain vitamins. For drugs covered by Medi-Cal, please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

Please contact the CareAdvantage Unit at the numbers in the footer of this document or your Care Manager for assistance.

We also list pharmacies that are in our network but are outside San Mateo County in which you live. You may also fill your prescriptions at these pharmacies. Please contact the CareAdvantage Unit at 1-866-880-0606, TTY 1-800-735-2929 or dial 7-1-1, Monday through Sunday, 8:00 a.m. to 8:00 p.m. for additional information.

CareAdvantage members must use network pharmacies to get prescription drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the CareAdvantage *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory

For up-to-date information about CareAdvantage network pharmacies in your area, please visit our website at www.hpsm.org/careadvantage or call the CareAdvantage Unit at the numbers in the footer of this document, Monday through Sunday, 8:00 a.m. to 8:00 p.m. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and CareAdvantage's *List of Covered Drugs (Formulary)*.

D1. Types of pharmacies in CareAdvantage's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You are not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
