New Video: Screening for Adverse Childhood Experiences (ACEs)

Dear primary care providers,

First 5 San Mateo County has released a brief video containing testimonials from San Mateo County PCPs on the critical role of providers in mitigating toxic stress through screenings for Adverse Childhood Experiences (ACEs): first5sanmateo.org/adverse-childhood-experiences/

Visit first5sanmateo.org for this and other resources designed to support you in administering ACEs screenings.

Medi-Cal-contracted PCPs who attest to completing a free online training become eligible to receive \$35.67 per patient screened for ACEs through Proposition 56 directed payments.

Contact PSInquiries@hpsm.org or visit acesaware.org for more information.

Thank you,

The Health Plan of San Mateo
