## Learn About HPSM's Diverse AAPI Community

Dear providers,

Last week the Health Plan of San Mateo (HPSM) held a provider webinar to commemorate Asian American and Pacific Islander (AAPI) Heritage Month. You can watch the webinar here:

The presentation was hosted by HPSM's Chief Medical Director Chris Esguerra, MD and Quality Improvement Program Manager Samareen Shami. We were also joined by county leaders from the Chinese Health Initiative, Filipino Mental Health Initiative, and Pacific Islander Initiative, who outlined critical resources for supporting this diverse community.

Watch the webinar for HPSM's stance on #AAPIHate, an overview of HPSM members who identify as Asian American and Pacific Islander, network and community programs, and much more.
