Referrals for Members With Asthma

Dear primary care providers,

San Mateo County Health's Family Health Services is offering Home Visiting Asthma Services for Health Plan of San Mateo (HPSM) members aged 0-17 with asthma. All pediatricians or primary care providers serving minors are welcome to refer.

Services include:

- In-person or virtual visits.
- Staff fluent in English/Spanish who will work with your member once a week for three to four weeks (other languages offered using interpreter services).
- Home environment assessments to reduce and eliminate triggers.
- Education on how to use asthma medication.

Who is eligible?

- Patients ages 0-17.
- Asthma diagnosis (please specify: new diagnosis of asthma, moderate or severe asthma or poorly controlled asthma as well as any ER/Urgent Care/other hospitalization in the last 12 months due to asthma).
- Asthma Action Plan in place.
