Improve Access for Members by Strengthening Our Doula Network

Dear providers,

In January the Health Plan of San Mateo (HPSM) was excited to add doulas as a covered benefit for our members. To increase access to this new benefit, we've created some recruitment tools for doulas in San Mateo County.

Please forward this message to any doulas you feel may be interested in joining the HPSM network!

This is the first time many of our members will have had access to doula services, so please help us grow our network to improve health outcomes for expecting mothers.

Please direct questions to HPSM Provider Services at PSInquiries@hpsm.org.

Thank you for your continued commitment to our community,

The Health Plan of San Mateo
