Celebrating Asian American and Pacific Islander Heritage Month 2024

Dear providers,

Happy Asian American and Pacific Islander (AAPI) Heritage Month! In 2024 we want to acknowledge the challenges that our AAPI members and providers may be facing in light of recent events in California and beyond.

To help address some of those challenges, please review our cultural competency resources in our Provider Learning Lab on our website. **You can also watch our latest video on microaggressions here:** <https://www.hpsm.org/videos/default-source/provider-education/micoaggressions.mp4>

Here are additional resources to help you and your practice celebrate AAPI Heritage Month this year:

- **Watch our provider webinar from 2022.** HPSM staff was joined by community leaders who outlined critical resources for our members.
