## **RE: New Contract with Natera!**

Dear Provider,

Effective March 1, 2020, Natera is now in-network with Health Plan of San Mateo (HPSM) for our Medi-Cal and CareAdvantage lines of business. Natera provides genetic testing that includes prenatal genetic testing services.

HPSM is allowing for a transition period to begin using this in-network provider for these services through 9/1/2020. Additional network expansion efforts for this service are also currently underway. Please visit the HPSM directory for additional information on this provider: <https://www.hpsm.org/provider/directory-search>.

If you have any questions please reach out to the HPSM Provider Services Department at [psinquiries@hpsm.org](mailto:psinquiries@hpsm.org). For additional information on Natera you can also visit Natera's website at [natera.com](http://natera.com).

Best Regards,
