

Important Resource for Front Office staff: HPSM Care Coordination for Speech Therapy

When scheduling a new patient for Speech Therapy services:

Does the patient have Health Plan of San Mateo Medi-Cal?

Is the patient under 21?

Are you unable to schedule an evaluation for at least 2 weeks?

OR

Are you unable to schedule follow-up speech therapy services within 1 month of the evaluation?

If you answered yes to the above questions:

Complete a Pediatric Care Coordination referral form at:
