Recap: Primary Care Provider Grants Webinar

Dear provider,

Yesterday we hosted an informational webinar to highlight our four new Primary Care Provider Grants. The webinar covered specifics about each grant category, including eligibility and how to apply. You can watch the webinar recording here: <https://www.hpsm.org/videos/default-source/webinar/primary-care-provider-grants-webinar-april-2025.mp4>

Presentation slides are also available here: <https://www.hpsm.org/docs/default-source/provider-services/primary-care-provider-grants/primary-care-provider-grants-webinar-slides-april-2025.pdf>

As promised, we've also compiled a frequently asked questions document regarding the grants. Please continue sending us your questions and we'll add answers to this document:

Here's a brief overview of the four grants:

- The **Primary Care Team Expansion Grant** is for hiring and integrating new interprofessional team members. The funding provides the upfront dollars to hire, operationalize and sustain new interprofessional team member roles that will increase primary care team capacity.
- The **Core Team Stabilization Grant** is for recruiting and retaining primary care providers and medical assistants. This funding helps practices stabilize their primary care teams by offering competitive sign-on bonuses to augment compensation packages.
- The **Provider Sabbatical Grant** is for retaining providers by enhancing resilience through sabbaticals. This funding rewards long-term primary care providers for their service and commitment to HPSM members with paid time off.

- The **Custom Pilot Grant** is for developing pilots and programs that improve primary care teams' capacity, bandwidth and joy.

If you have any questions about any of these grants, please contact our grants team at grants@hpsm.org. All other inquiries should go to HPSM Provider Services at PSInquiries@hpsm.org.

Thank you,
