

# Attestation Worklist

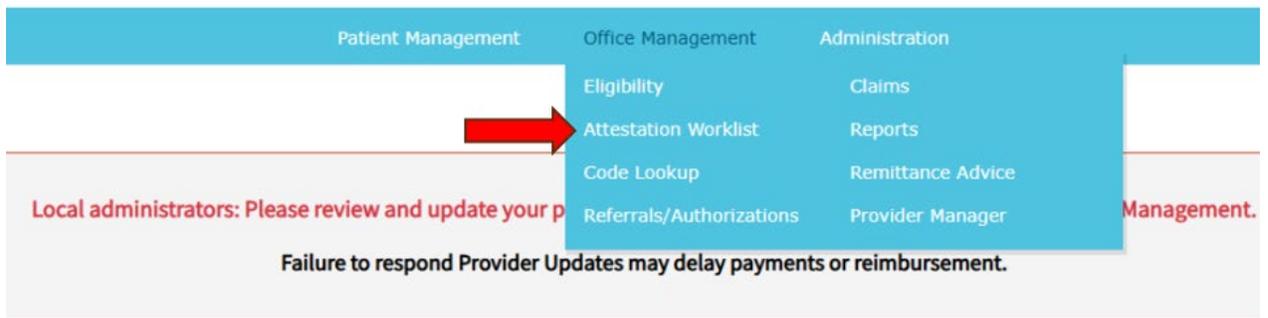

The Attestation Worklist will allow you as the main office contact to update your provider’s information (address, phone number, etc) in our provider directory or attest to no changes on a quarterly basis. This process will replace previously mailed provider quarterly change forms.

Please follow our step-by-step instructions on how to access the Attestation Worklist link through the Health Plan of San Mateo’s (HPSM’s) provider portal, which you can access here: <https://www.hpsm.org/provider/portal>

Step 1: Login to Provider Portal, on the main page, click on “Office Management”

Step 2: On the drop-down list, click on “Attestation Worklist”

Step 3: Select the record to attest and click on “Attest To”
