The following list applies to the Use of High-Risk Medications in the Elderly (DAE) performance measure in the 2021 P4P program year:

### Medications

Amitriptyline Medications
Amobarbital Medications
Amoxapine Medications
Atropine Medications
Belladonna Medications
Benztropine Medications
Brompheniramine Medications
Butabarbital Medications
Butalbital Medications
Carbinoxamine Medications
Carisoprodol Medications
Chlordiazepoxide Clidinium Medications
Chlorpheniramine Medications
Chlorpropamide Medications
Chlorzoxazone Medications
Clemastine Medications
Clomipramine Medications
Conjugated Estrogens Medications
Cyclobenzaprine Medications
Cyproheptadine Medications
Desiccated Thyroid Medications
Desipramine Medications
Dexbrompheniramine Medications
Dexchlorpheniramine Medications
Dicyclomine Medications
Digoxin .05 mg per mL Medications

Digoxin .0625 mg Medications  
Digoxin .1 mg per mL Medications  
Digoxin .125 mg Medications  
Digoxin .1875 mg Medications  
Digoxin .25 mg Medications  
Digoxin .25 mg per mL Medications  
Dimenhydrinate Medications  
Diphenhydramine Medications  
Dipyridamole Medications  
Disopyramide Medications  
Doxepin 10 mg Medications  
Doxepin 10 mg per mL Medications  
Doxepin 100 mg Medications  
Doxepin 150 mg Medications  
Doxepin 25 mg Medications  
Doxepin 3 mg Medications  
Doxepin 50 mg Medications  
Doxepin 6 mg Medications  
Doxepin 75 mg Medications  
Doxylamine Medications  
Ergoloid Mesylates Medications  
Esterified Estrogens Medications  
Estradiol Medications  
Estropipate Medications  
Glimepiride Medications  
Glyburide Medications  
Guanfacine Medications  
High Risk Anti Infectives Medications  
Hydroxyzine Medications  
Hyoscyamine Medications  
Imipramine Medications  
Indomethacin Medications  
Isoxsuprine Medications  
Ketorolac Medications  
Meclizine Medications  
Megestrol Medications  
Meperidine Combinations Medications

Meprobamate Medications  
Metaxalone Medications  
Methocarbamol Medications  
Methscopolamine Medications  
Methyldopa Medications  
Nifedipine Medications  
Nonbenzodiazepine Hypnotics Medications  
Nortriptyline Medications  
Orphenadrine Medications  
Paroxetine Medications  
Pentobarbital Medications  
Phenobarbital Medications  
Promethazine Medications  
Propantheline Medications  
Protriptyline Medications  
Pyrilamine Medications  
Reserpine 0.1 mg Medications  
Reserpine 0.25 mg Medications  
Scopolamine Medications  
Secobarbital Medications  
Trihexyphenidyl Medications  
Trimipramine Medications  
Triprolidine Medications
